

## MITCHELL REAPPOINTED

### MESSAGE FROM WASHINGTON RENAMES LOCAL MAN FOR RECEIVER

One of the most popular federal appointees under President Wilson in the West is Alexander Mitchell, who has just received his re-appointment as receiver of the Los Angeles Land Office. His nomination for re-appointment was sent to the Senate for confirmation yesterday by President Wilson and word of his re-appointment was received last night. The Los Angeles Land Office is the largest in the United States.

Mr. Mitchell has a beautiful home in the Glendale foothills on Kenneth road, so Glendale claims him and the honor which comes to him. He was born and educated in Aberdeen, Scotland, coming to the United States when he was eighteen years of age. In his youth he held various positions which helped to fit him for the responsibilities of his present office. For sixteen years he was connected with the Chicago, Milwaukee & St. Paul Railroad in various capacities. For a time he handled the lands of the company in northwestern Iowa. Later he was traveling passenger agent and finally took full charge of the freight and passenger business for the company in the States of Utah, Montana, Colorado, Idaho and Wyoming. In 1900 he was transferred to Chicago and a year later obtained a ninety-day leave of absence to bring his son to California for his health, and has remained here ever since.

Before his appointment to the office of Receiver of the Land Office four years ago Mr. Mitchell was a successful real estate dealer in this section. He received the solid endorsement of the Los Angeles County Democratic committee for his present position. He is a very able and well-informed man and his re-appointment is proof of his capability of performing the duties of his office. He has been prominent in the Democratic party for years.

Since the death of the Los Angeles Land Office register, John D. Roche, Mr. Mitchell has been in complete charge of the office and will continue to be until Ben F. Groves, appointed to succeed Mr. Roche, assumes the duties of his office in about two weeks.

Mr. Mitchell was the first Exalted Ruler of the Salt Lake City Lodge of Elks and is a life member of the Grand Lodge of the United States. He and his family are prominent in the social life of Glendale, Mrs. Mitchell being a prominent member of the Tuesday Afternoon club and a tireless worker for the British Ambulance Society and the Red Cross.

Mr. Mitchell's re-appointment, which is in effect August 1, came as he was giving his son to his country, George Mitchell, Jr., leaves today to join the naval reserve.

### REGISTRATIONS BEGINNING

Two Glendale young men have anticipated the call to register and have called at the office of the Exemption Board and filled out questionnaires. They are:

Orin Edwin Watson, of 421 East Third street, a seaman.

Maurice Joseph Feary, 624 Palmer avenue, Tropico district, a native of Whitfield, Maine, who is a traveling salesman.

These men could not make it convenient to be in the city on the date set for the registration and so called in advance.

## MUSIC AT FOREST LAWN

### SACRED CONCERTS SUNDAY AFTERNOONS AT LITTLE CHURCH OF THE FLOWERS

The sacred concert which was given at the Little Church of the Flowers Decoration Day was so much enjoyed that the management of Forest Lawn Memorial Park have made arrangements with George B. Miller of this city, the organist, to give a concert there every Sunday afternoon from two to four o'clock through the month of June. This is something which is being done by the officials for the pleasure of the people of Glendale and they hope many will come out to enjoy that music in the beautiful setting which this little church affords. The program for the first concert, June 24, follows:

Prelude and Fugue—Bach.  
Largo, from "Xerxes"—Handel.  
Jerusalem Coelestis—Gounod.  
Allegro Moderato—Reynolds.  
Gavotte, from "Semele"—Handel.  
Christmas Pastoral—Lefebure We'll.  
Prelude in D—Silas.  
Allegretto—Gustave Merkel.  
Larghetto and Allegro—J. Varley Roberts.

## NEW NAMES

### SUGGESTIONS FOR GLENDALE STREETS WHICH MUST BE RENAMED

City Manager Watson states that members of the City Council are very anxious to accomplish as speedily as possible the renaming of streets, which has been made necessary by the resolutions adopted under which Brand and Broadway have been fixed as the center of the city from which numbering shall begin. While they have full authority to act in the matter, they greatly desire to conform to the wishes of residents on the streets which it will be necessary to change, viz., the streets which at present bear number names, as First, Second, etc., also certain streets or avenues which bear duplicate names. The Board has delayed in the matter, hoping that residents on the streets affected would suggest new names. As yet, however, very few suggestions have been received. The following have been submitted to date and other suggestions would be appreciated:

First street—Lexington.  
Second street—California.  
Third street—Wilson avenue.  
Fifth street—Harvard.  
Seventh street—Elk.  
Eighth street—Maple.  
Ninth street—Holly.  
Tenth street—Yale.  
Sycamore avenue—Aliso, the Spanish for Sycamore.  
Oakwood avenue—Monterey road (the old-time name for this thoroughfare).

Burchett street—It is suggested that the residents on this street (which will be a continuation of the present Oakwood avenue) also adopt the name Monterey road.

The Board desires to take action on this matter next Thursday evening and will be glad to have any further suggestions which residents desire to offer, either through the Glendale Evening News or direct by letter or telephone to the office of the City Manager, who will see that they are brought to the consideration of the Board.

As stated above, the Board has full authority to act and arbitrarily decide upon the names of streets, but it is ready to give the fullest possible consideration to the wishes of residents.

### WILKES-LOWE WEDDING

About forty guests witnessed the marriage Friday evening of Miss Mary Temperance Wilkes to M. R. Lowe, an employee of the city in the fire department. It took place at the home of the bride's mother, Mrs. Sarah E. Wilkes, 721 East Acacia avenue, Elder G. Osman of the Advent Christian Church, Los Angeles, officiating. The bride, who was attired in white silk crepe de chine and who carried a shower bouquet of pink Cecil Bruner roses, was attended by Miss Emma Bailey of Los Angeles, also gowned in white, who carried a bouquet of white carnations. Jesse Wilkes, brother of the bride, was best man. The Wilkes home was beautifully decorated for the happy occasion with asparagus fern and white carnations. Mr. and Mrs. Lowe will be at home to their friends in the near future at the McIntyre apartments, where they will be located for a time.

### U. S. C. CAMPAIGN

A campaign to secure in the Southern Conference District \$1,000,000 for the University of California has been on for about three weeks. Rev. B. D. Snudden of this city, who has been working in Pasadena in this drive, states that about \$500,000 had been subscribed when he last heard reports of totals, and he is confident the whole sum will be raised. Architects have prepared preliminary plans for a group of six large buildings to be erected for the University at a cost, when completed, of approximately \$3,000,000. It is said that the present campaign is being made to provide funds for some of these units.

### CALLED TO SERVICE

The minutes of the last regular meeting were read and approved.

A communication was read from the Glendale Sanitarium requesting an appropriation by the Board to be used by the Glendale Sanitarium Band for purchasing equipment. On motion of Trustee Henry, the matter was referred to the Committee of the Whole.

McNutt and eleven others, asking that the trustees call a special election in the territory described in the petition, at which shall be submitted the question whether said territory shall be annexed to the City of Glendale. The territory described comprises Sycamore and Scholls Canyon and some other adjacent territory. On motion of Trustee Shaw, the petition was referred to the City Clerk to verify the signatures on the great register of the County and report as to their sufficiency.

## VOLUNTEERS WANTED

### PATRIOTIC MEN NOT IN CLASS 1 TO HELP IN THE PRODUCTION OF AEROPLANES

Chairman Lanterman of the local Exemption Board has received an urgent call from the government for men who are qualified for special service or for limited military service. Men listed in Class 1 who are qualified for general military service are not desired. The following letter from Adjutant General Borree Fully explains the need and the types of men desired. Mr. Lanterman hopes that many patriotic men will respond to the call for workers in this very important department of war service which has to do with the production of aeroplanes so greatly needed by our men at the front.

Advise all listed registrants not to quit present employment until quotas are allotted. This office expects over subscription just as in previous voluntary calls.

## SCHOOL PATRIOTS

### CAFETERIA CUTS OUT WHEAT PRODUCTS AND MISS LANTZ SHOWS HOW IT IS DONE

Wednesday morning saw all the girls of the High School assembled in the auditorium, where they listened to an earnest appeal from Miss Flood, Dean of the girls, to do everything in their power to aid our country in an early victory for democracy. In line with what girls can do, Miss Lantz, teacher of Domestic Science, gave a half hour's talk on the requests of the Food Administration.

In the High School cafeteria during the last three months no wheat flour has been used except that in the yeast breads bought from the bakeries. All cakes, pastries, quick breads and muffins have been entirely wheatless. Such a record is one of which Glendale may be justly proud. There is no better way to teach patriotism than by practicing.

Several Glendale ladies were also present to learn the easiest and quickest ways of canning vegetables. Miss Lantz exhibited peas, beans, corn, tomatoes and sweet potatoes, canned last September, and for the benefit of any "doubting Thomas," those present were allowed to sample them. These were canned in accordance with directions given in Monday's Glendale Evening News, May 27, 1918.

The recipes given below have been tested by Miss Lantz and used in her (Continued on Page 3)

## SPEAK A GOOD WORD FOR LOCAL DAILY NEWSPAPER

Friends of the Evening News are invited to assist us in placing additional names on the subscription list of this local daily paper. If you really think the publisher has the good of the community at heart and works incessantly and diligently to place before the people a creditable local newspaper, you are kindly asked to co-operate with the Evening News management with a view of making a better and a stronger paper. Bear in mind this request is addressed only to friends of the paper—men and women who have a desire to assist in building up a stronger daily paper and not for the financial gain of the publisher, but for the good a live local newspaper does in a community. Encourage your neighbors and friends to subscribe, advise the merchants to advertise—not for the purpose of enriching the publisher, but because a local paper well filled with offerings of the home merchants indicates real business life, and will tend to add to the prosperity of the city in question.

From June 1 to Saturday, June 15, will be considered as a time especially set apart for the co-operation with the Evening News of all persons who really believe in the power for good that a daily newspaper of the right type is in a city. The publisher awaits your co-operation.

## STIMULUS TO SELF-SACRIFICE

In an effort to stretch out our remaining slender wheat store to cover the few months, the people of America are being asked to reduce their per capita consumption of wheat to not more than 1½ pounds per week. The response has been amazing.

There are many who can do even better than this. Those who give from plenty are asked to increase the measure of their sacrifice that less may be demanded from those who would have to give from their necessities. Some of the former are gladly denying themselves wheat entirely.

Each day adds its quota to this growing army of American wheat abstainers. "Total Abstainer Clubs" are being formed in some places by those who are ready to pledge their entire wheat ration to the Allies.

In one western state both merchants and consumers are offering stocks of flour to the government, some cities retaining only two pounds per month per capita.

A large proportion of all the parishes in Louisiana have agreed to use no wheat until the new crop comes in. One church congregation has adopted resolutions pledging the entire congregation to consume not more than three pounds per person per month.

Prominent clubs throughout the country, both men and women's clubs, have held patriotic meetings pledging themselves to abstain from wheat until after the next harvest.

The State of Texas almost as a whole has gone on a wheatless basis from April 5 until June 1, or longer.

This patriotic response from all directions shows the spirit of sacrifice that will lift the ideals of the country and that is bound to give us final victory.

The Y. M. C. A. must send overseas one thousand men a month as war work secretaries to meet the demands of the situation over there.

## CITY TRUSTEES.

(Continued from Page 1)

A communication was read from the City Manager in reference to instructions given him to call the attention of the Southern Pacific Railway Company to the fact of the consolidation of Glendale and Tropic, and to request that the name of Glendale be substituted for Tropic, as the name of the company's depot now situated within the Glendale city limits. The communication stated that as a result there had been considerable correspondence with various officials of the company, who seemed reluctant to consider the change, setting forth reasons, as follows:

"As regards changing the name of our Tropic Station to Glendale, would state that we already have a station by the name of Glendale on our Portland Division and to name another station on our lines Glendale would without question result in more or less confusion. This on account of shipments going astray, passengers being improperly handled as well as express and other matters," and further that confusion might result if the name is changed by the delivery of freight at the Southern Pacific Depot, which is now delivered at the Pacific Electric Station. The communication further stated that a meeting had been called of a number of representative business men of the city to discuss the matter with G. J. Blech, Division Freight Agent of the Southern Pacific Company, said meeting being held Monday last in the Council Room. A large number of representative business men were present, and after hearing the statement of Mr. Blech, they unanimously decided that it is desirable to have the name Glendale substituted for Tropic on the Southern Pacific Station.

Trustee Muhleman offered a motion, which was adopted, that the communication be received, and that it be the sense of the Board of Trustees that the change should be made in the name of the depot in accordance with previous request.

The City Manager reported that pursuant to instructions, the words "Tropic City Hall" have been removed from the City building in Tropic district. In this connection he submitted a letter from the Gateway Association, Norton C. Wells, President, containing a number of suggestions as to changes and improvements which the association desired to see made. One of these suggestions was to the effect that the sign now on the old Tropic City Hall be removed and an arch sign with the wording "City of Glendale" be placed in its stead, and the wording "South Gate Hall" in a straight line underneath. The sign to be electric lighted. Also the following wording be placed on the doors of the library, namely: "Glendale Library" on one side and "South Branch" on the other side and an electric light hung in the entrance so that the wording could be seen at all hours of the night.

On motion of Trustee Shaw, this recommendation was adopted as to the suggested lettering. "City of Glendale" and "South Gate Hall," and on the library door the words on

one side "Glendale Library," and on the other, "South Branch." The other matters were referred to the Committee of the Whole.

A communication was read from the City Manager, stating that it is now time to consider proceedings for lot cleaning for the coming season, and submitting a resolution covering the matter, the adoption of which he recommended.

On motion, Resolution No. 1014, "A Resolution of the Board of Trustees of the City of Glendale instructing City Manager and Ex-Officio Street Superintendent concerning the eradication of any noxious and dangerous weeds growing within the City of Glendale," was taken up for reading. On motion of Trustee Muhleman, the same upon being read was adopted.

The City Manager presented a communication from Mrs. Frances B. Cash, 1305 Lomita avenue, requesting that a eucalyptus tree in front of her residence be trimmed. The City Manager requested instructions in the matter. On motion of Trustee Muhleman, the communication was referred to the City Manager to obtain the consensus of opinion in the neighborhood in accordance with resolution formerly adopted by the Board.

A notice was read from the Railroad Commission of the State of California stating that the hearing in the matter of the request of the City of Glendale that the Commission fix the valuation of the property of the Southern California Gas Company, will be held on August 20th next.

The Manager of the Public Service Department reported that his department has taken over the Tropic water system as under date of June 1st; that he had delivered the bonds to L. C. Brand and received in return a check for \$55,500.00, which had been turned over to the Treasurer.

The City Attorney presented papers covering the transfer and reported all satisfactory. On motion of Trustee Shaw it was ordered that the deed and bill of sale of the Tropic water system with the certificate of title be approved and accepted.

The following demands were reported back from the Finance Committee approved, and warrants ordered to be issued in payment of the same.

The Manager of the Public Service Department reported in reference to this transaction, that the sum of \$1500.00 is still due L. C. Brand from his department for water furnished to the City during the summer of 1917.

Trustee Jackson of the Public Welfare Committee reported progress in regard to certain matters referred to the Committee.

Trustee Shaw of the Committee on Rules for the government of the Board of Trustees submitted a partial report.

On motion, "An Ordinance fixing the salary of officers of the City of Glendale," was taken up for third and final reading, and upon being read, was on motion of Trustee Muhleman, adopted.

On motion, Resolution No. 1015, "A Resolution employing bill and demand clerk of the City of Glendale," was taken up for reading. On motion of Trustee Shaw, the same, upon being read, was adopted.

On motion, Resolution No. 1916, "A Resolution employing a Clerk to the Building Inspector of the City of Glendale," was taken up for reading. On motion of Trustee Muhleman, the same, upon being read, was adopted.

On motion of Trustee Shaw, it was ordered that the City Attorney be allowed the sum of \$75.00 in addition to his salary for the preparation of the proceedings and the abstract in the matter of the bond issue for Municipal Improvement District No. 2.

Trustee Muhleman made a motion, which was adopted, that when the Board adjourns, it be to meet at 7:30 p. m. next Tuesday.

The Board adjourned at 11:00 p. m.

## Ride Behind This Safe Lens

It's safe because it throws an intensely bright beam for 600 feet ahead, lighting up inequalities and obstructions in time for you to avoid them.

It's safe because it gives a strong side-light that shows up curbs, ditches and banks—tells you how close you can come to the edge of the road in passing cars—points out conditions at crossroads so that you can pass or turn corners safely.

Complies with "no glare" laws of all states. Distinctive in appearance.

Mr. and Mrs. Mellish and Mr. and  
 Mrs. Bellew motored to Long Beach  
 Thursday and spent the day there.

The annual Children's Day Exer-  
 cises will be held at the West Glen-  
 dale Methodist church next Sunday  
 at 10 o'clock.

Mr. and Mrs. W. H. Robinson of  
 1327 Valley road left Friday for their  
 grain and corn ranch in Oklahoma,  
 where they expect to harvest large  
 crops the coming summer.

A. J. Maxwell, assistant auditor of  
 the Santa Fe Railroad, and the Max-  
 well family are moving today, Sat-  
 urday, from 236 North Maryland ave-  
 nue to 415 North Maryland.

Mr. and Mrs. S. C. Packer and  
 family enjoyed an auto tour and din-  
 ner on the picnic grounds at New-  
 hall last Thursday in celebration of  
 the birthday of their daughter Doris.

Mrs. Elizabeth Slemmer of Los  
 Angeles and her sister, Miss Sarah  
 Trinkaus of Long Beach, spent Wed-  
 nesday with Mrs. Charles Shattuck  
 of 1214 West Broadway. These la-  
 dies are old friends from Michigan.

There will be no reserved seats at  
 the Cranford Musicals which will be  
 repeated tonight at the Union High  
 School at 8 o'clock, and it is expected  
 that all who come in time will have  
 no difficulty in securing seats.

Officials of the Glendale Red Cross  
 Chapter desire to express special ap-  
 preciation of the service rendered by  
 Miss Mabel Smith, who served as  
 cashier during the Red Cross drive,  
 and by Miss Dorothy Dow who assist-  
 ed at the desk in the workroom dur-  
 ing the drive.

Mrs. May Rodway of 303 South  
 Howard street, a lady who is near-  
 ing 84 years of age, is doing her part  
 to win the war by making our sol-  
 diers comfortable. Mrs. Rodway has  
 knitted 55 pairs of wristlets for the  
 Red Cross and is anxious to do more.  
 Mrs. Rodway belongs to the genera-  
 tion that did much knitting and she  
 loves the work. She says she will  
 gladly knit anything required if the  
 yarn is furnished her.

Miss Leone Shattuck has been  
 spending the week with Miss Coral  
 Griffith at Long Beach. She and her  
 hostess report that the beach city is  
 very much crowded and tourists are  
 forced to promenade the streets in  
 search of lodging places. This is due  
 in great measure to the shipyard  
 work at San Pedro which has caused  
 an overflow of residents to Long  
 Beach. There were unusual crowds  
 last Thursday when beautiful memo-  
 rial services were held in the park  
 around the soldiers' monument.

Louise Francis Crandall of 515 Pa-  
 cific avenue entertained a number  
 of the intermediate girl graduates and  
 the members of her Sunday School  
 class on Tuesday afternoon. The  
 house was decorated with carnations  
 and roses. The afternoon was spent  
 in playing games. In one of the  
 guessing contests Hazel Freeman  
 won the prize. The following were  
 present: Katharine Berry, Josephine  
 Booth, Hazel Freeman, Marion  
 Springer, Louise Hoyt, Pauline Phil-  
 lips, Louise Fambrough, Virginia  
 Fambrough, Henrietta Summers, Mil-  
 dred Singleton, Viola Johnston, Mar-  
 ian Crandall, Louise Crandall and  
 Mrs. Crandall.

Russell Stanton of 323 East Third  
 street, who was for a time at Fort  
 Rosecrans as a member of Company  
 7, Coast Artillery, is now learning  
 French and other things more inti-  
 mately connected with war on the  
 other side of the water, where he has  
 been for two or three months. He  
 gives very few details in letters which  
 reach his relatives in this city about  
 once in three weeks, as he is care-  
 ful to avoid giving offense to the cen-  
 sor. He has described an abbey  
 which he saw in the course of his  
 travels, 1000 or more years old,  
 which greatly impressed him. He  
 writes that he has been well ever  
 since he arrived. Two of his sisters  
 are now in war work. Miss Fay Stan-  
 ton is at Mare Island doing clerical  
 work and Miss Mildred Stanton, who  
 is also doing clerical work, is in  
 Washington.

Robert Borncamp, the nineteen-  
 year-old son of Mrs. Edward Born-  
 camp of 323 Orange street, who for  
 eight months has been at Camp  
 Kearney with the 157th Ambulance  
 Corps, is enjoying a leave from Wed-  
 nesday to next Sunday night. He is  
 well and happy except for his impa-  
 tience to get a chance to do the work  
 for which he enlisted. He says all  
 his comrades are getting very weary  
 of waiting and can not understand  
 why they are not sent forward. He  
 also reports that his older brother,  
 Frederick Borncamp, who is twenty-  
 one years of age and who has been  
 trying to get into the aviation ser-  
 vice, has at last realized his desires  
 and has been called to the ground  
 school at Berkeley. He is a graduate  
 of Northwestern University at Evan-  
 ston and has taken some special post  
 graduate work. He expects to get a  
 commission after taking training at  
 Berkeley.

 will give a musical in the church  
 auditorium next Thursday evening at  
 8 o'clock. Miss Edna Marie Cheever,  
 who is a fine reader, will give several  
 numbers. Many other good artists  
 will take part. A silver offering will  
 be taken.

Miss Coral Griffith came up from  
 Long Beach Friday to work at the  
 headquarters of the Red Cross Chap-  
 ter on aviators' vests. Her regular  
 assistants were on hand for service  
 and an excellent day's work was  
 turned out. She reports that thir-  
 teen will be finished and ready to for-  
 ward with the shipment to be sent by  
 the Chapter this week. She will also  
 be able to send 65 comfort bags  
 which have been made and filled by  
 the Chapter.

**REMOVAL ANNOUNCEMENT**  
 Mattison B. Jones, Leonard Wilson,  
 Dwight W. Stephenson, Benjamin  
 Lewis and William Freeman an-  
 nounce the removal of their law of-  
 fices from Suite 824 H. W. Hellman  
 building to Suite 722 Merchants Na-

**BENEFIT CARD PARTY**  
 The benefit card party to be given  
 under the auspices of the Columbus  
 avenue Parent-Teacher Association  
 will be held at the home of Mrs.  
 Charles W. Houston, 1540 Myrtle  
 street, Tuesday afternoon and even-  
 ing, June the fourth.

**SURGICAL DRESSINGS REPORT**  
 The following report of the pro-  
 duction of the Surgical Dressings De-  
 partment of the Glendale Red Cross  
 Chapter, which has been furnished  
 by the chairman, will be of interest  
 as showing how much has been ac-  
 complished by the industrious and  
 devoted workers in this section:

**Production for the Month of May**  
 4x4 Gauze Compresses.....6400  
 5-yd. Rolls ..... 502  
 Triangulars ..... 250  
 Scultetus ..... 9

The ladies of the Glendale Chap-  
 ter have responded most encourag-  
 ingly to the call for volunteers in  
 the Surgical Dressing Department,  
 but still there is room. If you have  
 only a few spare hours during the  
 week, your help is of great value.

From the number who first of-  
 fered their services to this depart-  
 ment, Mrs. Pack, Mrs. Cleveland,  
 Mrs. Lawshe, Mrs. Birchfield, Mrs.  
 Archie Parker and Mrs. Boothby  
 have been appointed instructors.  
 Mrs. C. L. Bullard, who also has been  
 one of the first class has been ap-  
 pointed as inspector.

MRS. E. M. TUFT,  
 Chairman.

**WEATHER FORECAST**—Fair to-  
 night and Sunday. Moderate west-  
 erly winds.

**UNCLE SAM**  
 Says that \$10,000, payable  
 \$57.50 per month for 20 years,  
 is the minimum protection  
 which his soldiers should pro-  
 vide for their estates; and in  
 actual practice they are now  
 carrying \$8500 apiece, or about  
 \$50 a month.

Nearly all of these boys are  
 unmarried and many of them  
 have nobody solely dependent  
 on them for support, yet they  
 are urged to secure this insur-  
 ance. Why? Because if they  
 lose their lives their families,  
 or estates, or the world—  
 SOMEBODY has sustained an  
 economic loss of which this  
 represents the minimum in-  
 demnity.

How much greater is the  
 need of most of you who read  
 this, for income protection? Let  
 me tell you how you can secure  
 it for your family, and for your-  
 self at the time of disability.  
 Don't delay. There is danger  
 of you waiting too long.

The fact that every one is thinking  
 along war lines and doing things for  
 soldiers makes a big demand upon  
 the public library for war books. For

### IN MEMORY OF COMRADES

In the memorial services at Grand View Cemetery on Thursday, Chaplain C. R. Norton of this city made the address, in which he said in part:

"We are here to commemorate the deeds of heroism, courage, suffering and sacrifice of our departed comrades, who freely offered their lives unto death that our beloved land might not be divided but remain under one banner—the flag of the free, that has never been raised in oppression or lowered in dishonor and, please God, it never shall be.

"When Fort Sumter was fired on that April day in 1861, more men offered themselves in defense of the Union than could be accepted. As the conflict went forward under the direction of that great American, Abraham Lincoln, men from the East, the West, the North, the South, said: 'We are coming, Father Abraham, three hundred thousand strong, and again after Bull Run and other reverses the loyal men and boys of the nation under the benediction of their mothers, wives, sisters and sweethearts, said: 'We are coming, Father Abraham, six hundred thousand strong,' and from behind the plow, from the store, from every walk and profession of life they went to come not again. What for? For money? No. Thirteen dollars a month in depreciated currency was not a sufficient motive. For glory? It was not considered a glorious thing to slay our brothers in the South. To add to our great and extended land? No. We had enough territory already in our possession. For what did our comrades offer their lives in sacrifice? To free the negro? No. For what did they suffer and die? Wholly and solely to save the Union. Thus it is that under the blessing of God, the directing hand of Abraham Lincoln, the devotion and sacrifice of our boys in blue, the loyalty that never wavered on the part of our blessed women, we are saying all over this great land: 'I pledge allegiance to my flag and the Republic for which it stands; one nation, indivisible with liberty and justice for all.'

"Tenderly we come to the office of strewing with earth's choicest flow-

ers the graves of those who drank from the same canteen with us, with whom we marched shoulder to shoulder. If any are here who have not forgiven those who fought against us, do it now most heartily. Bare your heads and open your hearts and thank God for a united nation that will help to save this old world for democracy. Do not think the world is now coming to an end. It is coming to its own and into better conditions than we have ever had before. Get ready to live the best life you ever lived in the best world the race has ever known. Give thanks to God and bless the memory of our departed comrades."

### THE BIG PARADE

Talk about your big parades;  
I've got one in my mind  
That puts to shame the Caesars' shades,  
And leaves the stars behind!

It passes 'neath the linden trees  
And over Wilhelm street,  
With banners waving in the breeze,  
And tramp of marching feet.

I see the British Union Jack,  
The noble flag of France,  
The Belgian red and gold and black,  
Floats by before my glance.

I hear the highland Scottish pipes,  
And—what is this I see?  
Ahead of all—the Stars and Stripes,  
The ensign of the free!

Here's to The Day when this parade  
Shall march through old Berlin,  
To make all autocrats afraid,  
And welcome Freedom in!

A country worth fighting for is a  
country worth saving for. Buy Thrift
